Dear Mr. Jones:

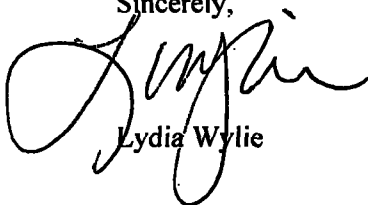

In response to your letter dated August 1, 2008, we have received the attached communication from Philip Pearce, Custodian of Records for "People for Pearce".

Chevron Employees PAC (CEPAC) contributed \$3,000.00 on June 24, 2008 to the "People for Pearce" 2008 primary campaign for the retirement of debt. As a result of your August 1<sup>st</sup> communication, we contacted Mr. Pearce and he advised that the committee does have sufficient debt to warrant our \$3,000.00 contribution. Mr. Pearce also informed us that he has filed Form 99 with the FEC which explains the committee's current financial status.

Based on the information we received from Mr. Pearce, CEPAC believes the debt retirement contribution is permissible and will, therefore, not take any corrective actions at this time to obtain a refund or redesignate the contribution. If however, your records still indicate that "People for Pearce" did not have sufficient primary election debt at the time CEPAC made its contribution, please advise so that we can take immediate corrective action.

If you have questions regarding this issue please contact Lydia Wylie, CEPAC Treasurer.

Sincerely,

Lydia Wylie
